SKILLS

- Latex
- MS Office work
- Ferret
- Python
- Matlab
- Time Management
- Leadership
- Effective Communication
- Critical Thinking

LANGUAGES

- English (Fluent)
- Hindi (Fluent)
- Malayalam (Mother tongue)
- Tamil (Intermediate)

REFERENCE

Dr. V Vijith

Asst. Professor, Cusat, India

Email : vijithpod@gmail.com

PROFILE

Early-career oceanographer with a strong background in physical oceanography and data analysis. Experienced in handling in-situ and other datasets, conducting fieldwork, and applying computational tools to study salinity, temperature, and coastal dynamics. Interested in advancing research on climate variability and ocean-atmosphere interactions.

WORK EXPERIENCE

CSIR-National Institute of Oceanography, India JUL 2023 - PRESENT
Project Associate - I

- Data collection and processing onboard ship(50+ offshore days),
- Deployment & Hands-on experience with oceanographic instruments like XBT, XCTD, INSAT UHF transmitter and processing softwares associated with them.
- Salinity Analysis using Autosol salinometer

Naval Physical and Oceanographic Laboratory, India
Research Officer

Oct 2022 - Jun 2023

- Data collection and processing onboard INS Sagardhwani(41 offshore days) and hands-on experience with instruments such as CTD, AWS, ADCP, Multibeam Echosounder, deployment of Hydrophones (Mooring experiment) and processing softwares associated with them.

Vision Plus Private Limited, India
Supervisor

Apr 2019 - Feb 2021

- Product training for agents
- Monitor and maintain quality of the customer relations
- Floor Management & Escalation resolution

EDUCATION

Master of Science (M.Sc)

2020 - 2022

Physical Oceanography | Cochin university of science and technology, India

GPA: 3.8 / 4.0

Bachelor of Science (B.Sc)

2012 - 2015

Physics | Mahatma Gandhi University

GPA: 2.7 / 4.0
